I think you already have something set up. Our finance director called me to tell me she already had scheduled a meeting.

Thanks for the follow-up!

Hello, Sherri.

I am taking over as Liaison Officer from Liz and am helping to schedule these meetings. We would be happy to meet with you and your folks at City Hall. Could we move the meeting back to 10:15 am on Tuesday to allow Cinna and Sarah time to get there from the County Attorney's office?

Please feel free to contact me if you have any questions or would like additional information.

Best regards,

Cynthia Peterson

Hi Elizabeth! I am touching base with you about your email below. I would like to request a meeting strictly for the City of Durango – at City Hall, instead of meeting with the EPA and multiple other jurisdictions at the County Attorney's office. Who do I need to coordinate with?

Thanks!

Sherri

Good afternoon,

Looking to share information that two of EPA Region 8 Financial Specialists, Cinna Vallejos and Sarah Hulstein, will be in Durango Monday August 31 through Sept 2<sup>nd</sup>. The goal of their visit is to meet with interested city, county, and tribal financial representatives to address their questions regarding financial assistance from the EPA with respect to the Gold King Mine release.

Tentatively, Cinna and Sarah will be meeting with La Plata County representatives on Monday afternoon. Cinna and Sarah will be available all day Tuesday at the La Plata County Attorney's office at 1099 Main St. Suite 308, Durango, CO to meet with City of Durango, San Juan Basin Health, Southern Ute, and Ute Mountain Ute representatives. On Wednesday, Cinna and Sarah are tentatively planning on traveling to Silverton to meet with Town of Silverton and San Juan County representatives.

Any agenda topics or questions that you may have, please provide those to me to ensure the meetings and discussions are productive. Also, please respond, as soon as possible, or if at all possible by noon on Monday with confirmation of preferred meeting date and time.

Please feel free to contact me directly at 406-214-4257 with any questions.

Liz
